

We Support You

## CEW Series

The CEW Series channel support is designed as an extended support for gas and refrigeration piping systems, conduit and hundreds of other applications. The CEW Series' comes on our wide body base and is height-adjustable between 3.5" – 24". A wide range of pipe clamps and straps can be used with this support. This is an ideal solution for pipes requiring a slope.

Available in corrosion resistant stainless steel or aluminum.

**Material** - Base - 100% recycled rubber, UV resistant

- Strut - 14 gauge Galvanized Channel strut (13/16" high)
- Rod - Two 1/2" electro-zinc plated all threaded rod risers

**Warranty** - 10 years

**Recommended Spacing** - Refer to local code

**May qualify for L.E.E.D. credits**
