

Rooftop Support Systems
by Clearline Technologies

CREW Series

The CREW Series comes with a rubber roller to support gas and refrigeration pipes while allowing for small longitudinal movements. The wide body base provides additional stability and load-bearing capacity. With the extensions, the height is adjustable between 6" to 16" to the roller center.

Available in corrosion resistant stainless steel or aluminum.

Material

Base – 100% Recycled Rubber, UV Resistant
 Roller – Rubber
 Rod – Two 1/2" electro-zinc plated all threaded rod risers

- Max Load** 500 lbs
- Warranty** 10 years
- Recommended Spacing** Refer to local code
- May qualify for L.E.E.D. credits**

SKU	PIPE SIZE	MAX HEIGHT TO ROLLER CENTER	WIDTH	LENGTH	WEIGHT
