

DSW Series

The DSW Duct Support Series is designed specifically for HVAC ductwork. The fixed dimensions give the ability for quick install times. The double widebody C-Ports (CW24) provide added support with a larger footprint and are made of 100% recycled rubber. The DSW Series also come equipped with 4-hole 90-degree fittings for added crossbeam support and 8 hold wings fittings to connect the uprights to the C-port bases

DSW Duct Support Series

Material: Base - 100% recycled rubber, UV resistant

Strut – 14-gauge galvanized channel strut (1 5/8” high)

Uprights and crossbeam – 12-gauge slotted strut (1 5/8” x 1 5/8”)
