

## C-Port Slipsheets

C-Port's Slipsheets are perfect for providing a barrier between the roof membrane and support. C-Port Slipsheets come in either 0.060" EPDM or 0.060" TPO and can be mechanically fastened to many of the C-Port rubber bases. The C-Port Slipsheets can be cut to custom sizes as per job requirements.

**Material** - 100% EPDM or TPO

**Compatible with:** CXW, CXM20, CXM & CHX Bases

SKU	Thickness	WIDTH	LENGTH	WEIGHT
Slipsheet - EPDM	0.060"	18" (457mm)	18" (457mm)	0.4 lbs
Slipsheet - TPO	0.060"	18" (457mm)	18" (457mm)	0.4 lbs
