VIDEO SPECIFICATION

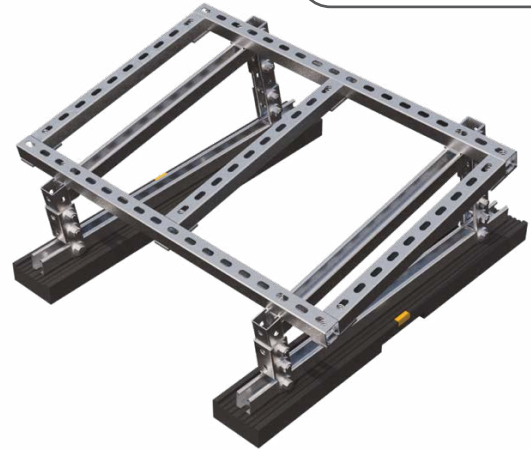

CP SERIES

- CP Platform Series
- Non-penetrating, bring-to-level rooftop support
- Creates a level platform for equipment on sloped surfaces
- Designed to support HVAC and electrical equipment
- Free-flow leg design promotes drainage and prevents moss and mould
- Vari-angle brackets allow easy adjustment and are suitable for various equipment types
- Suitable for most types of roofing materials, including sloped surfaces
- Strut is available in corrosion-resistant galvanized steel, stainless steel, or aluminum
